### GAVINS CORNER

Gavin has been getting to grips with the online world in recent weeks. He has set himself up a facebook page for the surgery. Here he comments on his day to day life at the surgery as he sees it. He is doing pretty well at finding the right keys on the keyboard with his delicate little paws. We think that the articles he writes each month for the Bewdley Bridge have given him some practice.

Gavin has also got hold of Jayne's booster vaccination reminders and has coloured in one dog and one cat. If you find a blue dog or pink cat on you booster reminder then please call in to the surgery as Gavin has a gift for you.
