Tails of a Veterinary Practice – life at Riverside Vets as seen by Gavin the practice cat.

Hi All,

Hope you have managed to enjoy the lovely warm weather we had in July and early August. You will be pleased to hear I managed to fit in plenty of snoozes in the sun in spite of my many duties at the practice. I am becoming a fully computer literate feline and now have my own facebook page! It has been a lot to learn, but I think I am getting the hang of it now and it is certainly fun.

I have been spending some time in the practice reception recently as I thought it was time I inspected that area again. I am pleased to report that my humans were suitably accommodating and made sure I had a lap to sit on whilst they carried on with their work. I am looking forward to September as our Saturday helper Claire will be coming to the practice 2 days a week to train as a Veterinary Nurse. Claire is very good to me and is excellent at paying me attention.

Better go now and have my cat nap,

Gavin.
